

 Manchester  Anthem -  Raise the  Game  Up

Verse 1

 Let's  raise the  game  up

 With a  feminine  touch

 We'll  never  yield

'Til  we  level  this  field

From  home-made  kits

to the  sponsored  fits

 From the  cold  muddy  grass

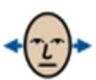

to an astro  pitch

Chorus

 Let's  get  stuck  in

Whether  we  lose or  we  win

 We've  worked so  hard to  get  here

 Don't  be afraid

 We're  watching  history be  made

 This  is a game that  stays  in  your  heart

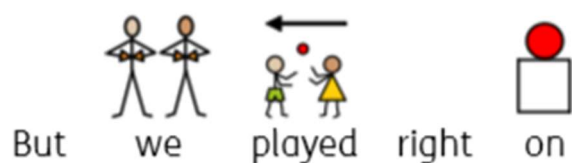

Verse 2

No nets in the goal

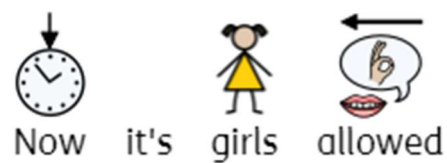

Boots with holes in the sole

But we played right on

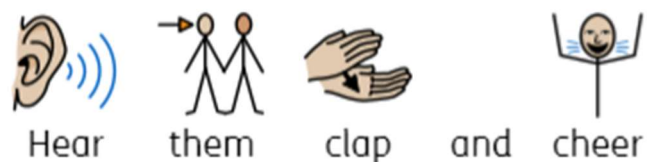

'Til the sun went down

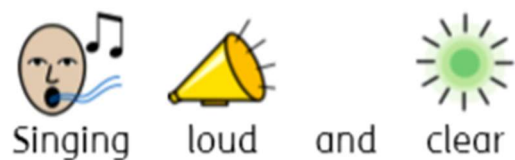

Now it's girls allowed

And we pull in crowds

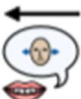

Hear them clap and cheer

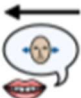

Singing loud and clear

(Chorus)

Bridge

 We  were  banned,  rejected, but  now  we're  accepted (x3)

 We  were  banned,  rejected, but  now  we're  expected to

Chorus

 Get  stuck  in

Whether  we  lose or  we  win

 We've  worked so  hard to  get  here

 Don't  be afraid

 We're  watching  history  be made

 This  is a game that  stays  in  your  heart
