

## Southampton Anthem – Standing Proud

We might be nervous, we all feel the same,  
We harness our power 'cause it's all for the game.  
We pushed through the training, we're ready to play.  
We won't hold back 'cause we've got something to say.

Standing proud, cheering loud  
Our journey's begun, inspiring new players to come

Win with honour, lose with grace,  
Always keep, that smile on your face  
Standing tall, we work as one,  
Come on, come on, cheer the women on.

Standing proud, cheering loud  
Our journey's begun, inspiring new players to come, to come, to come, to come

Come on, we can do this!  
Have fun, don't give up.  
Let's go, Southampton,  
Celebrate, everyone.

Work together, stand together, Dream together, Cheer together  
Work together, stand together, Dream together, Cheer together

Standing proud, cheering loud  
Standing proud, cheering loud  
Our journey's begun, inspiring new players to come  
Standing proud!
