

Milton Keynes Anthem: Our Time is Now

CHORUS

*Let's go Milton Keynes!
Let's take our shot, let's make this our moment.
Chase our concrete dreams,
Give it all we've got, live it, let's own it!*

*Shoot for the stars, run with the sun,
Let's go with the flow, united as one,
Moo-ving and grooving up, down, round and round ...
MK, our time is now!*

VERSE 1

Here in Milton Keynes, we bring the electric vibes,
Designed differently, we're powered up and buzzing with life.
The key to the future's coded in our history,
Like a circuit connected, we pump up the energy,
New town to new city!

CHORUS

VERSE 2

Here in Milton Keynes, you know we're gonna give it our all,
We look ahead, but always got our eye on the ball,
We create, innovate, believe in possibility,
We pass, turn and go (GO!), Redways to greenery,
New town to new city!

CHORUS

MIDDLE 8

An amazing and graceful, place to find peace, or be found.
A place to belong to, a place to be strong, to be proud.
MK, our time is NOW!

CHORUS

Our time is now!
Our time is now!
Our time is now!
