We are proud, we are strong,
Together, we are one.
Win or lose, we play on,
Together we are one, we are one, we are *ROTHERHAM!*

BREAK

ROTHERHAM!

VERSE 1

Welcome to Rotherham, tap into the town,
Where Rother and Don like to meet,
Wentworth to Magma, to New York, New York,
We've got the world at our feet!

BRIDGE

We're crafters, we're grafters, us Millers we grind,
When we band as one, we shine!

CHORUS

BREAK

VERSE 2

Welcome to Rotherham, we're ready to ROAR!
We're brave, bold as brass, we believe,
That when we're united, we've already won,
There's nothing that we can't achieve.

*Come rain or sunshine, we go for it,
We put on a show with our rainbow flicks,
Whatever the scoreline, we never quit,
Cos this is our game, remember our name!*
