

Sheffield Anthem: STEEL The Show

CHORUS

Blast it out, let the world know,
We are SHE-ffield, we're gonna steel the show.
On the ball, we're ready to *GO!*
We are SHE-ffield, we're gonna steel the show.

VERSE 1

Seven hills, one green city, where a beautiful game began,
Come on in and take your seat, everyone's welcome in the Sheffield fam!
Fuelled with pride, we glow with life, Manor Top to our grassy roots,
Strong and plated, we persevere, there's a lot of weight in our steely boots.

BRIDGE

Women of steel, roaring and real,
Steal the spotlight here in SHE-ffield!

CHORUS

VERSE 2

Owls and Blades, we know the game, we practise our set piece,
Leadmill, Crucible, to Lyceum, we thrill the crowds with our Yorkshire beats.
Relish our shots, forge ahead, together play at our peak,
A Mam Tor-de-force, pitch to dancefloor, *tha' knows, it's all gonna be alreet!*

BRIDGE

CHORUS

MIDDLE 8

Independent and free,
A place of sanctuary,
Our voices carry on the northern winds,
Wherever you are, you'll hear us sing!

Women of steel, roaring and real,
Women of steel, roaring and real,
Women of steel, roaring and real,
Steal the spotlight here in SHE-ffield!
