

## **Trafford Anthem: People Together**

### **Verse 1**

We don't back down and we don't give up  
We've got each other's backs, like the brave worker bee  
We are different, we are unique  
Football makes us a family  
Let the noise come from everyone  
Hear the people chant, hear the people cheer  
Hear us when we say we're in it to win it  
There's no doubt that our home is right here

### **Chorus**

Whoever you are, wherever you come from  
Trafford was made for everyone  
Football brings us together as one  
Here for our women, united and strong

### **Verse 2**

Look at the people, ready and proud  
We're hard as nails, and we don't miss  
Listen to our crowd roar like a lion  
Trafford was made for days like this

### **Chorus**

Whoever you are, wherever you come from  
Trafford was made for everyone  
Football brings us together as one  
Here for our women, united and strong

### **Bridge**

Get on your feet, get on your feet!

### **Chorus**

Whoever you are, wherever you come from  
Trafford was made for everyone  
Football brings us together as one  
Here for our women, united and strong
